

Eid felicitations to you
Eid felicitations to everyone
Eid felicitations to the world
Eid felicitations, felicitations) x2
"

(The moon depicting the arrival of Eid is here
Everyone is remembering God
Folding their hands in prayer
And bowing their heads in prostration) x2

Let us together rejoice
This day of Eid
Let us hug and forgive everyone
Let us ask for forgiveness to all and tell them

Eid felicitations to you
Eid felicitations all
Eid felicitations to the world
Eid felicitations, felicitations) x2
"

(Every face is filled with happiness
Every heart is filled with hope
Every house is filled with light
Lit by Eid's moon) x2

Let us together rejoice
This day of Eid
Let us hug and forgive everyone
Let us ask for forgiveness to all and tell them

Eid felicitations to you
Eid felicitations all
Eid felicitations to the world
Eid felicitations, felicitations) x4
