

**Translation of “Scarborough Jamatkhana Diya”
(You Gave Us Scarborough Jamatkhana)**

Mawla, thank you
You gave me what I asked for
You gave me Scarborough Jamatkhana
Ten years have passed (*since its opening*)
Yet it feels
As though Scarborough Jamatkhana is new

Verse 1

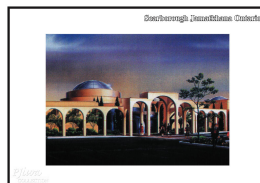

I come here early morning and evening
To volunteer
To pray from my heart
And to celebrate (*share my happiness*)

Mawla thank you
You gave me what I asked for
You gave me Scarborough Jamatkhana
Ten years have passed (*since its opening*)
Yet it feels
As though Scarborough Jamatkhana is new

Verse 2

The spiritual (*prayer hall*) and the material (*rotunda*) can be found here
I am at peace here
Here, my loneliness disappears
And I feel the presence of Mawla in my heart

Mawla thank you
You gave me what I asked for
You gave me Scarborough Jamatkhana
Ten years have passed (*since its opening*)
Yet it feels
As though Scarborough Jamatkhana is new
As though my Scarborough Jamatkhana is new
